George Gund III

Co-Chairman of the Board

When you look at the ownership level in the National Hockey League, you see very few people who play the same game that they operate. Maybe they played when they were kids, but not now. George Gund, who, with his brother Gordon, owns the Minnesota team, is an exception to the rule.

The North Star team is not his only hockey property. Gund, 51, is an owner of Sun Valley, Idaho, Ice Skating Inc., and takes a regular shift on defense for a senior league team in Sun Valley. Gund's interest in the playing end of the game is not new-found. He played hockey as a youngster in his home town of Cleveland and organized the first team at Case Western Reserve University. He also played for the Cleveland Falcons in that city's league and for city league teams in Seattle and San Francisco.

Gund entered the National Hockey League picture in 1975 when he became part owner of the California Seals. He was instrumental in the move of the California team to Cleveland in 1976 and in the purchase of the team by him and his brother in 1977. It was June of 1978 when he helped put together the unprecedented merger of the Minnesota and Cleveland teams and a little over a month later when the Gund brothers assumed 100 percent control of the North Stars.

He has served as director of Ameri-Trust Corporation for 18 years and is a past Board Member of the Redwood Bank in San Francisco. Along with real estate interests in the Bay Area and Port Angeles, Wash., he owns a cattle ranch in Lee, Nev. He was a founding shareholder and past Chairman of the Board of the Rusty Scupper restaurant chain.

In addition, he is an importer and distributor of foreign films. He has been actively involved with the San Francisco International Film Festival and has been Chairman of the Board since 1974. He supports a variety of film-related organizations including the Pacific Film Archive at the University of California at Berkeley, the Telluride and Cleveland International Film Festivals, the Independent Feature Project, and the Ohio Film Bureau. In 1986, he became a member of the board of Trustees of the Sundance Institute in Utah.

Gund is a trustee of the George Gund Foundation, the San Francisco Art Institute, a member of the International Counsel of the Amateur Hockey Association of the United States, the University Art Museum in Berkley, California and the University of Nevada Foundation in Reno. He is Chairman of the U.S. Hockey Hall of Fame and served as a member of the U.S.A. Olympic Hockey Committee for the 1988 Olympic Games. Gund and his wife, Theo, make their home in San Francisco and are the parents of two boys.

Gordon Gund

Co-Chairman of the Board

Gordon Gund's interest in hockey sprang from his days as a boy at Groton School, was reinforced at Harvard University where he played defense for the Crimson, and continues today at the National Hockey League level. Gund, 48, joined his brother George in 1977 in ownership of the former Cleveland Barons. He played a key role in the summer of 1978, when the Gunds assumed control of the North Stars and Met Center.

The expertise shown in completion of the merger is typical of Gund's successful, wide-ranging career in business and public service. Gund's involvement in the business of sports and entertainment expanded in 1981, when he and his brother acquired complete ownership of the CAVS/ Coliseum Management Company and then again in 1983 when they acquired control of the NBA Cleveland Cavaliers. Gund is co-chief executive officer of the CAVS/Coliseum Management Company. Also in 1983, again with his brother, George, Gund acquired the ownership of Nationwide Advertising Service, Inc., a major recruitment advertising agency. Gund is co-chairman of NAS, which has 36 offices throughout the United States and Canada.

Gund also is president and chief executive officer of Gund Investment Corp., of Princeton, N.J., which manages diversified investments. He is a general partner of GUS Enterprises, San Francisco, a firm formed in 1969, which is involved in real estate development, principally on the West Coast. Gund is a director of Kellogg Company of Battle Creek, Mich., and First Florida Banks, Inc., a Florida bank holding company headquartered in Tampa, Florida.

Gund has also taken a leading role in national charitable/philanthropic endeavors. In 1971, he was a member of the now international RP Foundation Fighting Blindness, headquartered in Baltimore, of which he is chairman and trustee. This foundation is dedicated to finding a treatment and cure for retinitis pigmentosa and allied degenerative diseases of the retina which impair the vision of many hundreds of thousands of children and adults, often leading to total blindness. This foundation now has 29 chapters and 27 resource centers in 38 states, and 19 international affiliates.

Lou Nanne

President

After spending 10 years as North Star General Manager, Lou Nanne announced on Jan. 28, 1988 that he would resign after the Entry Draft due to health reasons. However, before the draft, his promotion to President of the North Stars and Met Center was made official. Nanne's responsibilities include management of all Met Center events.

He took over the North Stars as general manager in 1978 when the team was the worst in the NHL. In 1981 he brought the team to the Stanley Cup Finals against the New York Islanders. During his term as General Manager, Nanne served as Vice President and one of Minnesota's alternate members of the NHL Board of Governors. He served a term as chairman of the General Managers Committee of the NHL.

Nanne has been a North Star ever since he turned professional. He was the only performer to play with the North Stars in all of the first 11 years of the team's existence. Over those 11 seasons he played defense most of the time, but had a couple of highly-successful seasons at right wing.

A native of Sault Ste. Marie, Ont., Nanne played minor hockey with Rangers' General Manager Phil Esposito, but chose to attend the University of Minnesota where he became the only defenseman to win the WCHA scoring title. A naturalized citizen, he captained the United States Olympic team in 1968. Since 1964 he has served as color commentator during television broadcasts of the Minnesota high school hockey tournament.

Nanne, 47, and his wife, Francine, live in Edina. They are the parents of a daughter, twin sons, and a third son. He became a grandfather for the first time last year.

Jack Ferreira

General Manager

The Minnesota North Stars began to take a new direction when Jack Ferreira was named the team's fourth general manager on June 14, 1988.

With the position came an opportunity to build an entire management team for the North Stars. Within a course of two months, Ferreira named Pierre Page as head coach, Dean Lombardi as assistant general manager, filled scouting positions and began to work on building a successful team.

Born in Providence, Rhode Island, Ferreira attended Boston University where he was named an All-American goaltender and earned a Bachelor of Science in History. He went on to work as assistant coach at West Point before entering his career in professional hockey management.

Ferreira, 44, was most recently the director of player development for the New York Rangers. Before his two-year affiliation with the Rangers, he worked six years as a scout for the Calgary Flames, specializing in United States high school and college players. Prior to working for the Flames, Ferreira worked three years with the National Hockey League's Central Scouting Bureau and five years as assistant general manager of the New England Whalers of the World Hockey Association.

The reputation Ferreira has built is based on his knowledge of hockey skill and his ability to judge that skill in players.

Ferreira makes his home in Edina. He has a daughter, Julie (15), and son, Kent (12).

Pierre Page

Head Coach

This season's changing of the North Star front office regime includes the addition of head coach Pierre Page. Page left the Calgary Flames to head the Minnesota hockey team on July 6, 1988.

Page, 40, has spent the last eight years in the Calgary Flames' organization. He spent two seasons as an assistant coach to Al MacNeil (1980-82) before spending three seasons (1982-85) as general manager/coach of the Flames' top farm clubs in Colorado and Moncton, New Brunswick. Most recently, Page has been a Flames' assistant coach under Bob Johnson and Terry Crisp.

He is credited with doing much of the technical coaching that led Calgary to the best regular season record in the National Hockey League during the 1987-88 season. He was responsible for developing the Flames' power play, which was rated first in the league last season. Page also is regarded as an innovator in the use of fitness programs and video to develop specific hockey skills.

Before joining the Flames, Page was the head coach at Dalhousie University in Halifax in the late 70's. He led the university team to the number two spot in Canadian college hockey in 1978-79, capturing the Maritime title for the first time in 60 years. While in Halifax, he also assisted with the American Hockey League team in the city. Page also has worked with the Canadian Olympic Team in 1980 and with Team Canada in 1981.

Page began his association with North Star General Manager Jack Ferreira in 1980 when Page was hired as assistant coach and Ferreira as a scout in Calgary's inaugural season.

Page, who is fluent in English and French, bought a home in Bloomington last summer with his wife, Donna. They are the parents of a three-year old daughter, Lauren.

Dean Lombardi

Assistant General Manager

When Dean Lombardi was hired as assistant general manager August 20, 1988, he jumped from one side of the fence to another. He joined the North Star hockey staff after a three-year career as a player representative. His skills in contract negotiations and knowledge of the National Hockey League's legal system attracted North Star General Manager Jack Ferreira.

Lombardi, 29, was born in Holyoke, Massachusetts. He received his undergraduate degree from the University of New Haven in Connecticut. In 1985 he earned his Law Degree from Tulane Law School, specializing in Labor Law.

Lombardi spent time utilizing his labor law specialization before he began working with player agent Art Kaminski. After a year with Kaminski, Lombardi went on his own as a player representative.

Lombardi is single.

Doug Jarvis
Assistant Coach

Doug Jarvis, a 13-year veteran of the National League, begins his first season with the North Stars and first season as a member of a coaching staff in the NHL. Last season, Jarvis was a player/assistant coach for Hartford's Binghamton farm team, and became head coach in early February.

Jarvis, a four-time member of the Stanley Cup Champion Montreal Canadiens in 1976-79, was traded to Washington in 1982 and helped the Caps make the playoffs for the first time in the history of the franchise. In 1983-84 Jarvis received the Frank Selke trophy as the NHL's best defensive forward and in 1986-87 he was the recipient of the Bill Masterton trophy for perseverance, sportsmanship and dedication to hockey. That same season, he played in his 915th straight regular season game, breaking the NHL ironman record for consecutive games played.

Jarvis' strength lies in his knowledge of the team chemistry needed to produce a winning season. His talents will be utilized in developing the special teams.

Jarvis and his wife, Linda, have two children.

George Kingston
Assistant Coach

George Kingston has been involved with academics and hockey for 21 years at the University of Calgary. He led his team to the playoffs 14 of 15 years and established a career coaching record of 268-144 in those 15 years. In his last three seasons, Kingston led his team to a regular-season record of 65 wins and 14 losses, three first place finishes and two conference championships.

Kingston was assistant coach of Team Canada in Leningrad during the 1983 Canadian B tournament and was also assistant coach of the Canadians in the World Championships in West Germany. He was assistant coach of the 1984 Canadian Olympic Team and guest coach and Hockey Tournament Chairman in 1988. In 1987 he coached the Canadian Team that won the Spengler Cup in Davos, Switzerland.

He earned Bachelor of Arts Degrees, Physical Education and Education, from the University of Alberta in Edmonton. He later earned his Master of Arts Degree and his Doctor of Philosophy Degree. Kingston's extensive background as a teacher and coach of athletes at all different levels will be an asset for the North Stars. Kingston will focus his skills toward the defensemen.

Kingston and his wife, Wendy, are the parents of two children.

NORTH STARS TRAINERS

The North Stars training staff has grown by one this season. The addition of Head Athletic Trainer Dave Surprenant has rounded the number to four, including Doc (Dick) Rose, Assistant Trainer Dave Smith, and Equipment Manager Mark Baribeau.

Surprenant, 30, worked for three months as interim trainer for the North Stars last season when Dick Rose took a medical leave of absence. He has worked the last four years at Coplin's Physical Therapy, a company the North Stars have been affiliated with for a number of years. Over the last seven years, Surprenant has headed the Normandale Community College training staff and worked as a summer assistant athletic trainer for the New Orleans Saints. Surprenant received his Bachelor of Science Degree from Mankato State University in 1983. He is a native Minnesotan and resides in Richfield. He is single.

Due to an injury, Doc Rose will fill an advisory role as Athletic Training Consultant this season. Rose 50, is a native of St. Paul who joined the North Stars in 1969 after gaining experience with the United States Olympic team and the South St. Paul Steers of the United States League. He was head trainer of the North Stars for 18 seasons. A bachelor, Rose spends much of the off-season on the North Shore of Lake Superior near Lutsen, Minn. He is an ardent and expert fisherman.

Smith, 45, begins his fourth year with Minnesota after eight seasons with the St. Louis Blues. He worked with the World Hockey Association team in Cleveland for four seasons and in the International and Ontario leagues. Smith was head trainer for the 1987 United States Canada Cup team. The native of Toronto is married. He and his wife Maxine and their son make their home in Eagan.

The 25-year-old Baribeau starts his fourth full-time season as equipment manager, and his eighth season with the North Stars' organization. He had been Rose's part-time assistant four years before gaining full-time employment. Baribeau resides in Eden Prairie and is single.

DRAFTED

Minnesota's first choice (sixth overall) in the 1987 Entry Draft.

LAST SEASON

1987-88 — At 18, Archibald played his rookie NHL season. He finished seventh overall in team scoring and first overall among North Star rookies. He had nine multiple-point games last season, including a three point game November 8 in Chicago. He recorded two game-winning goals. Archibald missed only two games last season, neither due to injury. He was voted rookie of the year by his teammates. Despite playing mostly on the third or fourth line, he was the North Stars' fifth leading goal scorer.

CAREER

Dave Archibald made his mark in the Western Hockey League at age 14 when he became the youngest player ever to record a point. Over his four year career with the Portland Winterhawks, Archibald collected 86 goals and 104 assists (190 points) in 189 games. He was the North Stars' No. 1 pick (sixth overall) in the 1987 Entry Draft. During his NHL debut, Archibald scored two goals and was named the game's third star.

HIS GAME

Combine his explosive skating with his keen on-ice hockey sense and it's easy to see how Archibald averaged a point a game during his WHL career. His play-making ability makes him an invaluable center for his wingers. NHL goalies have said Archibald's wrist shot is one of hardest in the NHL.

Age: 27 (Sept. 19, 1961)

OBTAINED

Minnesota's second choice (37th overall) in the 1980 Entry Draft.

LAST SEASON

1987-88 — Last season started well for Beaupre, winning or tying six of his first nine decisions. However, an injury in mid-December marked a turning point in his season. He missed 12 of the next 13 games with a severely pulled groin muscle. Even after recovering from the injury, Beaupre was a victim of a team slump and accumulated less than half of his season-total wins after the injury. Although last season wasn't a bright spot in Beaupre's career, it was only his third losing season (10-22-3) since joining the North Stars in 1980.

CAREER

Beaupre was voted rookie of the year by his teammates in 1981. He started in the NHL All-Star game at the age of 19 and finished third in voting for the NHL Rookie of the Year. His play slumped his sophomore year, but has picked-up with regularity since. His performance in 1985-86 earned him Comeback Goalie of the Year honors in the *Hockey News* and the team's Three-Star of the Game Award.

HIS GAME

Beaupre depends on speed of hand and foot for his success in goal. Given his small size, he relies on his quick reflexes to stop NHL shooters. He has an especially fast glove hand and is adept at going down at the right time and getting up soon enough to frustrate his foes.

Brian Bellows
RIGHT WING

23

BASICS

Height: 5-11 — 181 cm.

Weight: 195 lbs. — 89 kg.

Age: 24 (Sept. 1, 1964)

BORN

St. Catherines, Ont.

Off-Season Home: Eden Prairie, MN

Left Handed, Shoots Right

OBTAINED

Minnesota's first choice (second overall) in the 1982 Entry Draft.

LAST SEASON

1987-88 — Brian Bellows is coming off one of his most successful seasons. He reached the 40-goal mark and the 80-point mark for the second time in his NHL career. With the team in a slump and leading scorer Dino Ciccarelli suspended for 10 games, Bellows remained consistent. He played out his option year last season and signed a multi-year contract with the North Stars this summer.

CAREER

Bellows' final year of junior, which culminated in the Memorial Cup title for his Kitchener, Ont., team, was surrounded by heavy media attention from start to finish. He was the only entrant in what was called the Bellows Sweepstakes, the duel among NHL teams to gain the No. 1 overall draft choice and his services. Play during his first five years in the NHL was conducted under more normal circumstances, but Bellows still attracts more attention than many of his teammates.

HIS GAME

Bellows is not a finesse player, but a grinder and a good all-around player. He is an intense competitor who is 100 percent into the game all the time. He has been the North Stars' most consistent player during much of his five-year career in the National Hockey League.

Scott Bjugstad
LEFT WING

14

BASICS

Height: 6-1 — 185 cm.

Weight: 185 lbs. — 84 kg.

Age: 27 (June 2, 1961)

BORN

St. Paul, MN

Off-Season Home: Apple Valley, Minn.

Right Handed, Shoots Left

OBTAINED

Minnesota's 13th choice (181st overall) in the 1981 Entry Draft.

LAST SEASON

1987-88 — Scott Bjugstad began the season by bouncing back from a disappointing 1986-87 season. He recorded 11 points in the first 11 games before suffering a shoulder separation and missing four games. He appeared to be back on track when he tore his right knee ligament in mid-December. After missing 20 games with the injured knee, he came back only to play six more games before straining the same knee ligament during a practice in February. Bjugstad underwent knee surgery March 1 and is ready for the 1988-89 season.

CAREER

An outstanding high school player at Irondale (all-conference and all-state as a senior). Bjugstad achieved more stardom at the University of Minnesota. He won the Western College Hockey Association scoring championship and was named to the WCHA all-star team in his senior year. He was a finalist in voting for the Hobey Baker Award for college hockey's most valuable player. He was a regular on the U.S. Olympic team that competed in 1984 in Sarajevo, Yugoslavia.

HIS GAME

Bjugstad has been a scoring threat wherever and whenever he played — at Irondale High School, at the University of Minnesota and for the United States Olympic Team. During the 1985-86 season Bjugstad scored more goals than any other North Star left winger (43). His best shot is his wrist shot.

Bob Brooke

BASICS

Height: 6-1 — 200 cm.

Weight: 205 lbs. — 90 kg.

Age: 27 (Dec. 18, 1960)

BORN

Acton, Mass.

Off-Season Home: Port Chester, N.Y.

Right Handed, Shoots Right

OBTAINED

From the New York Rangers with a 1988 fourth-round draft choice for Curt Giles, Tony McKegney and a second round draft choice in 1988 on Nov. 13, 1986.

LAST SEASON

1987-88 — Bob Brooke played the first half of the season on defense and came up front for the second half. Although he produced his lowest goal total in a single season, he was an asset defensively. Only one other regular skater did better on the plus-minus ranking than Brooke last year.

CAREER

Originally a 1980 fourth-round choice of the Blues, Brooke was traded to the Rangers on March 5, 1984, after playing with the 1984 U.S. Olympic Team. While with the Rangers, Brooke showed his greatest offensive promise in 1985-86. He missed only one game that season, was the Rangers' second leading goal scorer (24), and led all Rangers in penalty minutes (111). Brooke also led the Rangers to their most successful playoff performance in six seasons, scoring six goals and nine assists in 16 games.

HIS GAME

The North Stars added size at the center position when they acquired Brooke from the Rangers. They also added a versatile player. Brooke played all positions while with the Rangers, with the exception of goaltender. Aside from his size and versatility, he is a rugged forechecker, known for his all-out effort every game.

LAST SEASON

1987-88 — Casey was recalled from the Kalamazoo Wings Dec. 13 and saw his first NHL action since playing on a full-time basis during the 1985-86 season. After Don Beaupre suffered a groin pull, Casey played in four games for the North Stars. He returned to the farm team Jan. 1 and played there until his second recall late in the season. He played in 10 of the North Stars last 13 games, including a string of six consecutive starts. After the North Stars suffered a drought of seven consecutive losses, Casey stepped in. He then went on to earn ties against Montreal, Edmonton, St. Louis, and Chicago.

CAREER

Casey went from stardom at Grand Rapids High School to stardom at North Dakota University to stardom in the American League at Baltimore while scarcely missing a beat. He was a WCHA first-team goalie as a sophomore and senior at North Dakota and was chosen as the all-conference second-team goalkeeper as a junior. Over four seasons in college he managed a save percentage of 91.2 percent and a goals-against average of 2.89. He was named to the AHL first all-star team and chosen rookie of the year in 1984-85. Last year's 24-13-5 record at Kalamazoo rated him as the team's No. 1 goaltender.

HIS GAME

He does not have the bulk to cover a vast area of the net, so Casey depends on fast reactions and a finely-honed knowledge of the angles to stop the opposing shooters. He might appear beaten on a shot, but his speed and ability to recover from a perilious situation often beats the odds. Casey is an aggressive goalkeeper, often ranging far from the crease in order to cut the angle on an opponent's shot.

BORN

OBTAINED

Signed as a free agent, September 28, 1979.

LAST SEASON

1987-88 — Ciccarelli led the team in goals (41), assists (45), and points (86) for the second consecutive season. He became Minnesota's all-time leading scorer and goal scorer, surpassing Bill Goldsworthy's record of 506 career points as a North Star and Goldworthy's record of 267 career North Star goals. He recorded his 300th NHL career goal last season, the first North Star ever to reach that milestone. Ciccarelli reached the 80-point mark for the fourth time in his career. Ciccarelli scored a point in all but 18 games he played and recorded 25 multiple-point games.

CAREER

His eight-year career as a North Star began when Lou Nanne signed him as a free agent. A fractured femer nearly ended his career while he played junior hockey in 1978. Since joining the North Stars, he has been chosen to play in two All-Star Games. He holds the team record for goals in one season with 55 and is the only Minnesota player to score more than 50 goals twice in his career. He set an NHL record by scoring 14 goals as a rookie in the 1981 Stanley Cup playoffs. Ciccarelli holds or shares 18 individual North Star records.

HIS GAME

When Dino is on top of his game, he is in constant motion. He stays close to the net and takes shots often. His quickness allows him to break free to receive passes and get many rebounds. Defensively, Ciccarelli's quickness enables him to catch opponents breaking down the ice.

Age: 26 (September 21, 1962)

BORN

Toronto, Ontario

OBTAINED

From the New York Islanders in exchange for Chris Pryor and future considerations March 8, 1988.

LAST SEASON

1987-88 — Played with the Islanders up until March when he was traded to Minnesota. He played his first game as a North Star March 9 vs. Buffalo. He led the team with a plus-five ranking, but because of the limited number of games he played, did not qualify for the team's Emery Edge award. He recorded one assist in 11 games as a North Star. His season totals of 14 assists and 17 points were all career highs.

CAREER

Dineen played his second full-time NHL season last year. He spent four seasons splitting his time between the Islanders and their minor league affiliate. He was originally the Islanders second round draft choice (42 overall) in the 1981 Entry Draft. He led all Islanders in the plus-minus ranking during the 1986-87 playoffs. Dineen was the first team all-star at Indianapolis in 1981-82, and captured the Bobby Orr Trophy (top CHL defenseman) and the Bob Gassoff Award (most improved CHL defenseman) that season.

HIS GAME

Dineen won't score many goals, but is offense oriented and will set up goals and record his share of assists. He is often used on the power play unit. Dineen is a strong defenseman and will use his strength to control the puck, the opposition and to standup for himself and his teammates.

LAST SEASON
1987-88 — Curt Fraser was traded for only the second time in his decade-long NHL career on Jan. 2 when the North Stars picked him up from the Chicago Blackhawks in exchange for Dirk Graham. He played in 10 North Star games last season before coming down with chronic mononucleosis and missing the last 30 games of the season. He returned to Vancouver in March to recover from his illness.

CAREER
After playing two seasons with Victoria of the Western Hockey League, Fraser entered the NHL and is starting his 11th professional season. He has never played a game with a minor league team. He has recorded 50-point seasons until last season's illness.

HIS GAME
Fraser was acquired from Chicago for his ability to give high-scoring forwards more room to play. He is a strong forward and uses hard work, strength and size to dig the puck out of the corners and hold the opposition off.

The Pas, Man.

Off-Season Home: Edina, MN

OBTAINED

From the New York Rangers Nov. 20, in exchange for Byron Lomow and an undisclosed draft choice in 1988.

LAST SEASON

1987-88 — After spending last year with the New York Rangers, Giles returned to Minnesota Nov. 20. He responded by scoring a goal and three assists in his first three games as a North Star. In 59 games with the North Stars, Giles had one goal and 12 assists. His solid defensive play was consistant throughout the year on the injury-plagued North Star defensive unit.

CAREER

Giles won All-American honors twice at U of M—Duluth where he enrolled as a 16-year-old freshman. After graduating, he played only a half year in the minors before joining the North Stars. He played seven full seasons with the Minnesota North Stars before being traded to the New York Rangers with Tony McKegney and a draft choice for Bob Brooke and a draft choice. In his first year back with Minnesota, the local media voted him as the club's outstanding defenseman. He has won the award three of the last four years.

HIS GAME

Body checks are what most people notice about Giles — especially opposing forwards. He has the Leo Boivin-style hip check, which is almost a lost art in today's game, and he uses it with deadly effectiveness. Giles is a defensive-minded player and a very consistant player. In the words of North Stars scout Glen Sonmor, "he is an every-nighter."

Weight: 195 lbs. — 89 kg.

Age: 29 (June 29, 1959)

BORN

Stratford, Ontario

Off-Season Home: Eden Prairie, Minn.

OBTAINED

LAST SEASON

1987-88 — He finished second among team defensemen last season with 19 points despite missing the majority of the season because of injuries. He played in only five games from Nov. 28 to the end of the regular season. He missed 10 games with a separated shoulder, spent 21 games recovering from a hernia operation, and spent the last 12 games of the season recovering from shoulder surgery.

CAREER

When Hartsburg was 18 years old, he left junior hockey to join Birmingham of the World Hockey Association. When the WHA folded, he became available for the NHL Entry Draft and Minnesota selected him in the first round (sixth overall). Since then he has played in three all-star games, three World Championships and one Stanley Cup final. During the 1983-84 and 1984-85 seasons, injuries held his total regular-season contests to 58. Dennis Maruk
CENTER

BASICS

Height: 5-8 — 170 cm.

Weight: 174 lbs. — 79 kg.

Age: 33 (Nov. 17, 1955)

BORN

Toronto, Ont.

Off-Season Home: Eden Prairie, MN

Right Handed, Shoots Left

OBTAINED

From Washington on July 5, 1983 for Minnesota's second-round draft choice in 1984.

LAST SEASON

1987-88 — This season, like last, was one effected by injuries. He missed the first 34 games of the season after cutting a tendon in his foot during a preseason game. Coming back, he recorded nine points in 15 games. He missed four games after being handed a suspension and returned to play only six more games before suffering a shattered kneecap Feb. 20. He missed the remainder of the season.

CAREER

Maruk was drafted in the second round in 1975 by the California Golden Seals. He moved with the Seals from Oakland to Cleveland and eventually to Minnesota after the 1977-78 season when the Barons merged with Minnesota. Maruk went to training camp with the North Stars, but a week into the season he was swapped to the Capitals. In 1981-82 he became the fifth player in league history to score 60 or more goals in a season. He scored 50 the year before. He has collected 30 or more goals in six of his 12 NHL seasons.

HIS GAME

At barely 5-foot-8, Maruk gives up almost half a foot to most players. But those who collide with him in the corners more often than not discover him to be small only in height. He is exceptionally powerful in the upper body and has the quickness, aggressiveness and touch needed to play in the NHL.

BASICS

Height: 6-2 — 185 cm.

Weight: 205 lbs. — 90 kg.

Age: 27 (January 1, 1961)

BORN

Orillia, Ontario

Off-Season Home: Apple Valley, MN

Left Handed, Shoots Left

OBTAINED

Signed as a free agent June 23, 1978.

LAST SEASON

1987-88 — McRae played his second full NHL season last year and he was one of two North Stars to have played in all the team's games. McRae was named an alternate captain midway through the season. He set the single-season record for most penalty minutes by a North Star (382), previously set by Willi Plett who had 316 minutes in 1983-84. He led the team and finished second overall in the league in penalty minutes. McRae set a personal high with 11 assists last season.

CAREER

Drafted as an underage junior by Quebec in 1980, McRae played 42 games in three seasons for the Nordiques before being swapped for Toronto's Richard Trumel before the 1983-84 season. He spent most of his tenure with the Maple Leafs at St. Catharines of the American Hockey League before signing as a free agent with Detroit in August of 1985. During his first season with the Red Wings, McRae spent 69 games in Detroit's farm system at Adirondack. Perseverence made him a full-time NHLer; he has not played in a minor league game for the last two years.

HIS GAME

Strength is Basil McRae's biggest asset. He uses this asset to pry the puck out of corners and police the ice. He will not hesitate to stick up for a teammate or himself.

Terry Ruskowski
LEFT WING

8

BASICS

Height: 5-9 — 172 cm.

Weight: 183 lbs. — 83 kg.

Age: 33 (Dec. 31, 1954)

BORN

Prince Albert, Saskatchewan

Off-Season Home: Eden Prairie, MN

Left Handed, Shoots Left

DRAFTED

Signed as a free agent July 1, 1987.

LAST SEASON

1987-88 — Injuries kept Ruskowski's game total at 47, his lowest ever. The flu, back spasms and knee problems kept him out of the lineup during the second part of the season. He returned from injury March 16 after missing 21 games due to torn knee ligaments suffered Jan. 21. He contributed four points and 39 penalty minutes in the last 10 games of the season.

CAREER

Ruskowski is entering his 10th NHL season, but his professional playing experience goes back much further. Prior to his NHL career, he played five years in the World Hockey Association and was a member of the Avco Cup Champions with Houston in 1975-76 and Winnipeg in 1978-79. Ruskowski joined the club that originally drafted him, the Chicago Blackhawks, in 1979-80. He played three seasons with Chicago before being traded to Los Angeles at the start of the 1982-83 season. Ruskowski enjoyed three more seasons with the Kings before signing with the Penguins as a free agent in 1985. He played two seasons with the Penguins before signing with the North Stars as a free agent last summer.

HIS GAME

At 5'9", Ruskowski is a scrappy customer. He picks up a lot of his goals in front of the net and many of his assists by digging the puck out of the corner. His leadership on and off the ice resulted in him being named as captain of the three NHL teams he played with prior to the North Stars. He played the role of alternate captain for Minnesota last season.

(Cary TAH-ko)

Kari Takko
GOALTENDER

1

BASICS

Height: 6-2 — 187 cm.

Weight: 182 lbs. — 81 kg.

Age: 26 (June 23, 1962)

BORN

Uusikaupunki, Finland

Off-Season Home: Uusikaupunki, Finland

Right Handed, Catches Right

OBTAINED

Minnesota's fifth round selection (97th overall) in the 1984 Entry Draft.

LAST SEASON

1987-88 — In his sophomore year in the NHL, Takko played in 37 games for the North Stars, compiling an 8-19-6 record, a 4.47 goals-against-average, and a .866 save percentage. He played the majority of his games between Nov. 11 and Jan. 11, appearing in 22 of 29 games and earning a 6-10-4 record during that span. He saw action in only 10 games after Jan. 11. Takko recorded his first NHL shutout Dec. 21 against Toronto, a 0-0 tie.

CAREER

He played for Finland's National team and in the 1984 Winter Olympics before he was drafted by the North Stars in 1984. Earlier, Takko had been drafted by Quebec, but did not sign with the Nordiques. When he became eligible again, the North Stars took him as a fifth-round choice. He spent his first North American season in Springfield, Mass., where he was named the American League team's most valuable player and rookie of the year.

HIS GAME

He uses his size to his advantage and plays the angles properly. A standup goaltender, he plays an orthodox game. He challenges the shooters and defies them to beat him. He seldom beats himself by letting in bad goals.

Richard Zemlak
LEFT WING/RIGHT WING

24

BASICS

Height: 6-2 — 185 cm.

Weight: 190 lbs. — 85 kg.

Age: 25 (March 3, 1963)

BORN

Wynyard, Sask.

Off-Season Home: Lakeville, MN

Right Handed, Shoots Right

OBTAINED

Minnesota's second selection in the 1987 Waiver Draft Oct. 5.

LAST SEASON

1987-88 — He came to Minnesota via the Waiver Draft at start of the season. He netted his first NHL goal, unassisted, Feb. 27 in Boston. He finished second on the team with a total of 307 penalty minutes, averaging over six penalty minutes a game. He missed one game due to an eye injury and four games due to suspension after being assessed four game misconducts. Last season was his first as a full-time NHLer.

CAREER

Zemlak is a much traveled forward, having played in the Western Hockey League, Central Hockey League, International Hockey League, American Hockey League and the National Hockey League in seven seasons. He was originally chosen by St. Louis in the ninth round of the 1981 Entry Draft. His rights were sold to Quebec in 1984, and the North Stars claimed him as their second selection in the 1987 Waiver Draft Oct. 5.

HIS GAME

No one can accuse Zemlak of not sticking up for himself or his teammates. One of Minnesota's "enforcers", he has provided the North Stars with muscle. He and compatriot Basil McRae often share a line, playing aggressive hockey and adding scoring punch.
